**OFFICE OF PETITIONS**

In re Application of :  
John Fox :  
Application No. 09/641,667 : **DECISION ON PETITION**  
Filed: August 18, 2000 :  
Attorney Docket No. FOX 0001P :

This is a decision on the petition under the unintentional provisions of 37 CFR 1.137(b), filed December 26, 2006, to revive the above-identified application.

The petition is **DISMISSED**.

Any request for reconsideration of this decision must be submitted within TWO (2) MONTHS from the mail date of this decision. Extensions of time under 37 CFR 1.136(a) are permitted. The reconsideration request should include a cover letter entitled "Renewed Petition under 37 CFR 1.137(b)." This is **not** a final agency action within the meaning of 5 U.S.C. § 704.

The application became abandoned for failure to reply in a timely manner to the Notice Regarding Drawings mailed June 16, 2006, which set a shortened statutory period for reply of two (2) months. Accordingly, the application became abandoned on August 17, 2006.

A grantable petition under 37 CFR 1.137(b) must be accompanied by: (1) the required reply, unless previously filed; (2) the petition fee as set forth in 37 CFR 1.17(m); (3) a statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional; and (4) any terminal disclaimer (and fee as set forth in 37 CFR 1.20(d)) required by 37 CFR 1.137(d). Where there is a question as to whether either the abandonment or the delay in filing a petition under 37 CFR 1.137 was unintentional, the Director may require additional information. See MPEP 711.03(c)(II)(C) and (D). The instant petition lacks item (3).

The statement of delay is not acceptable. In this regard, petitioner's attention is directed to 37 CFR 1.33(b), which states:

(b) Amendments and other papers. Amendments and other papers, except for written assertions pursuant to § 1.27(c)(2)(ii) of this part, filed in the application must be signed by:

- (1) A registered patent attorney or patent agent of record appointed in compliance with § 1.32(b);
- (2) A registered patent attorney or patent agent not of record who acts in a representative capacity under the provisions of § 1.34;
- (3) An assignee as provided for under § 3.71(b) of this chapter; or
- (4) All of the applicants (§ 1.41(b)) for patent, unless there is an assignee of the entire interest and such assignee has taken action in the application in accordance with § 3.71 of this chapter.

An unsigned amendment (or other paper) or one not properly signed by a person having authority to prosecute the application is not entered. Therefore, as the petition is not signed, the petition is considered to not contain a proper statement of unintentional delay.

Further correspondence with respect to this matter should be addressed as follows:
